

EMPLOYEE MEMBERSHIP REGISTRATION

In order for The Arc to have an impact on legislation, it is important for us to be strongly represented on the state and national levels. The number of memberships is directly related to the number of votes we have. Most importantly, your membership speaks to inform people of the needs of the children and adults we serve.

Your membership means building better lives and also entitles you to many benefits:

- Newsletters from The Arc-US, The Arc-PA and The Arc-NEPA - with up-to-date information on The Arc and developmental disability information.
- Representation in local, state and national policy forums.
- The opportunity to participate in The Arc affairs and to attend conferences, seminars and conventions at a reduced cost.
- Discount prices on publications, insurance services, credit card programs and a free one year subscription to ABILITY digital magazine.
